**“CERAMICS: WHAT’S NEXT?”**

A rich calendar of technical webinars, from November 2020 to July 2021,  
that will take us to Tecnargilla 2021

**CALENDAR of EVENTS**

Month*	Webinars in English language	Webinar in Italiano
November / December	1/12: Opening Conference  <b>“Ceramics: What’s Next?”</b> <i>New technologies for future ceramics</i>	26/11: Convegno inaugurale online (+ in presenza, se consentito)  <b>“Ceramics: What’s Next?”</b> <i>Nuove tecnologie per la ceramica del futuro</i>
January	Safe ceramics: Antibacterial surfaces	Safe ceramics: Superfici antibatteriche
February	Finishing of ceramic surfaces: more efficient processes for value-added materials	Evoluzioni nella finitura di superfici ceramiche: processi più efficienti per materiali di maggior pregio
March	Digital factory 1: From remote assistance & maintenance to remote plant start-up and acceptance test	Digital factory 1: Dall’assistenza da remoto ai collaudi a distanza
March	Digital factory 2: The evolution of glazing & decoration of ceramic surfaces	Digital factory 2: Superfici ceramiche 100% digitali
April	Digital factory 3: Smart Logistics	Digital factory 3: Logistica sempre più smart
April	Sustainability 1: Green technologies for ceramic factories	Sostenibilità 1: Tecnologie e processi green in ceramica
May	Sustainability 2: Energy saving	Sostenibilità 2: Risparmio energetico
June	Technical innovations for the production of sanitaryware	Innovazioni tecniche per la produzione di sanitari
June	New raw materials for innovative ceramic products	Nuove materie prime per prodotti ceramici innovativi
July	The future of raw material preparation	Il futuro della preparazione impasti
July	Technical innovations for the production of heavy clay materials	Innovazioni tecniche per la produzione di laterizi

\* The webinars could be held in different months respect to calendar
